Substance Abuse Treatment
Anne Arundel County Health Department
Phone: 410-222-0117
aahealth.org/substance-abuse-treatment

Anne Arundel County has a network of private substance abuse treatment providers who participate with the Department of Health in offering treatment services at various locations countywide. Different levels of treatment are available, including early intervention groups, outpatient clinic care and more intensive treatment for drug and alcohol addiction. The Opportunity for Treatment Fund (OTF) is available to help pay for substance abuse treatment for Anne Arundel County residents who meet income guidelines, see Community Treatment Services.

There are also numerous volunteer support groups for substance abusers, family members and children. These support groups hold regular meetings in the community.

For more information, call:
Substance Abuse Treatment Referral Line 410-222-0117
Monday through Friday
8:00 a.m. to 5:00 p.m.

The Anne Arundel County Department of Health also provides outpatient drug and alcohol treatment services to County residents of all ages.

Adolescent Services, offering early intervention and treatment including individual, group and family counseling, are located at:
Behavioral Health Building
122 North Langley Road, Suite A
Glen Burnie, Maryland 21060
410-222-6725

Adult Treatment Services, for heroin addiction, includes: methadone and buprenorphine maintenance; individual, group, and family counseling; urine drug screening; HIV risk assessment/risk reduction; and TB testing. Services are located at:
Behavioral Health Building
122 North Langley Road, Suite B
Glen Burnie, Maryland 21060
410-222-0100

Adult Addiction Clinic (South)
839 Bestgate Road
Annapolis, MD 21401
410-222-6001

Fees for services are charged on a sliding scale based on family income.
Connecting to Health Care Coverage through the Affordable Care Act: Enrollment and More Information

Medical Coverage for Families
Need health insurance for your family? The Medical Assistance for Families/MCHIP program provides comprehensive medical coverage to income-eligible families, children and pregnant women through managed care organizations (MCOs). See Medical Assistance for Families/MaY.land Children’s Health Program.

Nutrition Program for Women, Infants and Children
The Women, Infants and Children (WIC) supplemental nutrition program provides free nutritious foods, nutrition education, breastfeeding support and resource referrals for pregnant, breastfeeding and postpartum women and children up to age 5. To qualify, County residents must meet income guidelines. See WIC Program.

Health Care for Uninsured Adults
The REACH health care program is for uninsured adults ages 19-64. REACH offers County residents low-cost doctor visits, checkups, prescription medicine, lab work and tests, radiology services and dental services. See REACH (Residents Access to a Coalition of Health).

Free Breast Exams, Mammograms and Pap Tests for County residents who are 40 and older, uninsured or have insurance that does not cover mammograms or Pap tests, and are income eligible. See Breast and Cervical Cancer Program.

Prescription Savings Program and save an average of 37 percent on prescription medications, as well as discounts on vision care, hearing care, diabetes care, pet medication and supplies. The Prescription Savings Program is open to all County residents and has no income requirements or age restrictions. See Prescription Savings Program.

If you are an Anne Arundel County resident and you applied for insurance through the Maryland Health Connection, but are uninsured currently, call 410-222-4531.

More
- Low-Cost Health Care Resources
- Free Department of Health Services for Children and Pregnant Women

What is REACH?
In response to the growing number of uninsured adults in Anne Arundel County, the Anne Arundel County Department of Health and the Anne Arundel County Medical Society have partnered with community doctors and other health care providers to offer low-cost health care services through the REACH Program, (REsidents Access to a Coalition of Health).

REACH Partners
Partners in the REACH program are:
What are the benefits of REACH?

The Anne Arundel County Department of Health will provide a case manager to assist you in obtaining care.

**Low Cost:**
- Doctor visits
- Check-ups
- Prescription medicines
- Lab work and tests
- Radiology services
- Dental services

**What will it cost?**

If you are enrolled as a member of the REACH Program, you will pay the provider at the time of service, according to a fee scale that is based upon your household income.

**Who can apply?**

Residents of Anne Arundel County who applied for insurance through the Maryland Health Connection and were denied coverage, and were unable to qualify for state and federal insurance plans can apply. The chart below shows how much your family can earn to be eligible. Family size includes all parents/guardians and children living in your household for whom you are responsible.

REACH makes low-cost adult health care easy.

- Easy application process
- Countywide network of providers
- Coordination of health care needs

REACH is not an insurance policy and does not provide insurance coverage.

How you can apply:
To get a mail-in application or for more information, call or write the:
Anne Arundel County Department of Health
REACH Program

Annapolis, Maryland 21401
Misión:

La Oficina de Servicios al Constituyente funciona como un enlace directo entre el ejecutivo del condado Steve Schuh y los ciudadanos del condado de Anne Arundel proporcionando una atención personalizada con respecto a todos los asuntos de los constituyentes y comprometiéndose activamente con nuestras comunidades para lograr hacer de nuestro condado el mejor lugar para vivir, trabajar e iniciar un negocio en el estado de Maryland.

Acerca de la Oficina de Servicios al Constituyente:

Nuestro personal interactúa con los ciudadanos para resolver situaciones concernientes con el gobierno del condado; educa a los ciudadanos acerca de los procedimientos gubernamentales, sus políticas y leyes, y trabaja para agilizar las acciones de gobierno. El personal está integrado por una directora y tres funcionarios de servicios para la comunidad, quienes están concentrados en ofrecer una atención personalizada con respecto a todos los asuntos de los constituyentes, identificando soluciones y recursos y conectando al ejecutivo y las respectivas agencias con los residentes del condado de Anne Arundel. Cada especialista comunitario trabaja en un área geográfica específica junto a otros funcionarios electos, en todos los niveles del gobierno, para dar respuestas, encontrar soluciones, e identificar recursos adicionales y alternativos.

En adición a estos servicios básicos, el personal trabaja con la Oficina de Manejo de Emergencias para promover una preparación comunitaria de emergencia, participar en eventos de la comunidad, festivales y programas, y asistir a las asociaciones de la comunidad con asuntos relacionados con obras y seguridad públicas, la aplicación del código de zonificación urbana y del medio ambiente.

¡Sentimos orgullo de poder servir a los ciudadanos del Condado de Anne Arundel!
Mission Statement

The Office of Constituent Services serves as the direct link between County Executive Steve Schuh and the citizens of Anne Arundel County by providing personal attention to all constituent matters and actively engaging in our communities to help make our county the best place to live, work and start a business in the State of Maryland.

About The Office of Constituent Services

Our staff works with citizens to resolve concerns involving county government, educates citizens about government procedures, policies, and laws, and works to expedite government action. The staff consists of a director and three community services officers focused on providing personal attention to all constituent matters, identifying solutions and resources and connecting the County Executive and County Departments to the residents of Anne Arundel County. Each community specialist works in a specific geographic area working together with other elected officials at all levels of government. Beyond these basic services, the staff works with the Office of Emergency Management to promote community emergency preparedness, participates in community events, festivals, and programs, and assists community associations with public works, public safety, zoning enforcement, and environmental issues.
